Dear John:

As Publicity chairman for the IBS National Meeting, I hope to be in touch with you regularly over the next two months. Much of your correspondence with Dick Crompton has been forwarded to me for use in publicity. Would you be so kind as to send me carbon copies of any letters to IBS containing newsworthy material? This will help me keep on top of all developments. (Also - letters of the same type to others at IBS).

I am enclosing the correspondence with equipment manufacturers from 1961, as I understand that your station will be making these contacts this year. Of course, you will not be contacting the same people, but the letters may be of some use. I suggest that you should not try to solicit door prizes; the idea has never been satisfactory, and I suspect it may have led to GE's absence last spring. Please return the material, when you are through with it.

At the moment, I am interested in obtaining information on any concerts on Friday or Saturday night of the Meeting weekend. Also any other entertainment in the area. As you know, all reservations for rooms, banquet, and I guess any reserved tickets, will be handled through Charlie Quigley. Our deadline will have to be set so that he can get the reservations to you in time.

Sincerely yours,

  
John B. Pegram  
Publications Manager

Dear John:

As publicity chairman for the IBS National Meeting, I hope to be in touch with you regularly over the next two months. Much of your correspondence with Rich Cronin has been forwarded to me for use in publicity. Would you be so kind as to send me copies of any letters to IBS containing newsworthy material. This will help me keep on top of all developments. (Also - letters of the same type to others at IBS).

I am enclosing the correspondence with Cronin and announcements from 1967, as I understand that your station will be making these contacts this year. Of course, you will not be contacting the same people, but the letters are of some use. I suggest that you should not try to solicit door prizes; the idea has never been satisfactory, and I suspect it may have led to O's absence last year. Please return the material when you are through with it.

At the moment, I am interested in obtaining information on any contacts on Friday or Saturday night of the meeting was and. Also any other contact in the area. As you know, all reservations for money, banquet, and I guess any reserved seats, will be handled through Charlie Miller. Our feeling will have to be set so that he can get the reservations to you in time.

Sincerely yours,

John E. Davidson  
Publicity Chairman
